

July 16, 2020

Doc here. I just wanted to take a moment to give you a big pat on the back and say congratulations. COVID-19 really tried to throw us a curve ball this year, but like the rough and tumble VFW members you are, you prevailed.

You helped ensure the VFW was #StillServing despite a pandemic. Each of you rose above the challenges presented and should be incredibly proud of all you've accomplished this year.

As a way to say thank you for making it through, enclosed you will find a special #StillServing 2020 banner in honor of your work. I hope that you will hang this next to your colors with pride.

As the Department representative, enclosed you will find a banner for every Post and District in your state that is currently chartered and in good standing. When it is safest, and at your earliest convenience, I'm asking for your help to distribute these banners within your Department. It's important, now more than ever, that we showcase the hard work that our members and Posts have been doing, day in and day out, over the past year.

Thank you for all you've done, and again, congratulations!

And with that, I'm clear.
