Your VFW Membership Benefits All Veterans

The VFW strives to do good things for deserving people — our veterans, service members and their families. From local grassroots ideas to national influence, we work every day to make a difference. It's our strength as an organization, and with each individual membership, we only grow stronger.

A strong VFW means a louder veteran voice that cannot be ignored.

It ensures we have the strength to fight to protect VA benefits, and that we're taken seriously when advocating for new veterans' programs and veterans' legislation.
